ENGAGING THE DIAKONIA OF ALL BELIEVERS

GUIDE for the DIGITALLY PERPLEXED:

PRE-Convention Digital Checklist

THE VIRTUAL GUIDEBOOK TO GENERAL CONVENTION:

- Download a free app called **Guidebook** from your appropriate "store." There are versions of Guidebook for both smartphones and tablets.
- Once you have done this, search for an application called "The 78th General Convention." (It actually pops up after you get to "78.") Now download this.
- On the left side of the screen there are links to registration information, floor plans, worship bulletins and other general information.
- This will allow the general visitor, volunteers and those at home to navigate the worship (no printed bulletins!), exhibits and meetings at General Convention.
