

**AED's Triennial 2025 - News & Information**  
March 2025

We are three months away from the Triennial gathering, **Ignite Change**, to take place in San Antonio, TX June 5-8. [Registration](#) has now been open for two months and we hope that many of you have already registered.

We are offering a special incentive to register early. We have opened a drawing for one free night in the hotel during the conference. Three people who register by April 1 will receive a free night at the hotel for a savings of \$211. Those who have already registered will be entered in the drawing, as well as those who register this month.

The deadline for nominations for the deacon awards have also been extended by a month, so you have until April 1 to submit names for honorees.
