

Covenant of Responsibility for DOVE 2020

Purpose

The purpose of DOVE is to build an international team that will participate in a multicultural, hands-on, action-reflection experience, related to overcoming violence in the world.

Covenant

Participants will:

- Initiate action / reflection experiences in their own country.
- Reflect through their written word and voice what they learn through DOVE to share with the group, their own community, and DOTAC.
- Provide leadership and develop networks to assist others in working to Overcome Violence.

In order to respect the needs of all participants and the communities we represent, we agree to enter into a Covenant of Responsibility for DOVE.

1. WE each come with an open mind, a loving heart, and a willing spirit, and need these things from others.
2. OUR full participation in all sessions is in the best interest of the community and is expected of all participants and facilitators.
3. WE recognize, celebrate, and share our differing journeys in relationship with God and our differing understandings of who God is in our lives. We will respect and learn from each others expressions of faith.
4. WE will be guided by the Holy Spirit and the example of Christ in all our actions.
