Deacons in CPG

The Diocese of Georgia unanimously approved a proposal offered by Bishop Logue that all active, regularly serving deacons will be enrolled in a new plan offered by the Church Pension Group. The Diocese will cover the \$354 per year cost for all deacons whose congregation can not otherwise do so.

“Our deacons' commitment to servant ministry is such an important witness to the Gospel,” Bishop Logue said. “I want to make sure that our deacons benefit from this program.”
